Great Wine Bluff ワイン テイasting

Friday 20 September 2024

Swirl Wines, JSM Tokyo and others
are organising a
Great Wine Bluff
in support of REI

The event will be in the beautiful
surroundings of [East Gallery Tokyo](#) in
Ebisu with their great buffet dinner.

Book [here](#) through Swirl Wines

本イベントは基本的に英語で進行されます
が、どの皆様にも楽しんでいただける内容に
なっておりますので、ぜひご参加お待ちしております。

As with all Wine Bluffs, you'll taste four different wines, each paired with three intriguing stories from the panel of wine experts. **But here's the twist: only one of**

the tales is true. In groups, you'll use your taste buds and lie detection skills to uncover the truth and reveal the bluffs.

Register as a team or individually.

You can join Jane's or Yasuko's team or engage some expert friends.

Jane has never been a guest in a Wine Bluff so she will need all the help available!

There are amazing raffle prizes (all proceeds to REI) from generous donors including Swirl wines, dinner vouchers, hotel stay, yoga session, Riedel glass, whisky, a photo shoot and entry to Italian Chamber of Commerce gala dinner.

What's included:

- 4 rounds of wine tasting and entertainment
- Great buffet
- All you can drink wine, beer and soft drinks
- A raffle with great prizes

A huge thank you to sponsors for this event:
